History

Burma FC Indoor Soccer team started in September 2008 and played in Division 2 at the 5 Dock Leisure Centre and made it to the Semi-final and eventually finish the season 3rd in the league which consisted of 10 teams. It was great achievement for us as it was the first time the team came together, the team was young and inexperienced in the indoor soccer at that time.

Now in 2009 season Burma FC was promoted to the Men Division 1 (Premier League Division). In the Premier League division the winning team is offer a chance to represent the club (5dock leisure centre) at the State League level against other clubs in the region and is given full sponsorship by the club and wage for the players.

This is a great opportunity for us and if we could win this league, as we are holding the name "Burma F.C" everyone who is Burmese and everyone else who supports us can be proud.

So far we are in the 3rd week of the league and are currently in 2nd position with 7 points only 2 points away from the top team. I would like to kindly ask for supporters to come and support us if you can as it makes a massive difference to us morally considering the fact that we are the only Asian team in the league. We play every Tuesday evenings at 5 Dock leisure Centre (2min from Strathfield Station) from 6pm-8pm.

This was our First Game as we had a bye in the first week. For some of the players it was the first time playing indoor Soccer competitively but most players are the same from the previous year. The team is still young and very energetic. We played with the 2 defense and 2 attack formation, with Noah and Chit Oo at the back and Aung Myint Myat and Thiha in the front to start off. The team played great football and had most of the possession. The defense pair of Chit Oo and Noah was great and solid at the back and the opposition forward could not penetrate through. The combination and skill of Aung Myint Myat and Thiha was also great and was able to penetrate through the opposition defense time and time again and was unlucky to score until the 7th minute when Aung Myint Myat scored the first goal for the team from the long ball from Noah. Just before the second half the substitutions were made and Zin Aung and Aung kan lin replaced forward positions and Gin Htet Naing came in as defense. Again the team was very dominant and Zin Aung scored the second goal for the team from the impossible angle. The Goal keeper Steven played a great game but just before the end of the game was unlucky to concede a goal and could not keep clean sheet.

Game 3 (29 Sep, 6.30pm)

This was our second game of the season, by now the players felt more comfortable with their positions and surroundings and got the feel of the game. We played magnificent football against a very tough opponent. At half time we were 2-0 up with great goals from Chit Oo and Aung Myint Myat. The defensive pair of Noah and Chit Oo was great breaking up all the attacks from the opponent team, but the best of all was the Goal keeper Steven who was absolutely brilliant with more than 10 saves that were certain to be goals. In the beginning of second half Zin Aung and Aung kan lin jointed the attack and Gin Htet Naing came in as defense. All played great skilled football and scored another goal about 2min into the second half coming from Aung Myint Myat. By now we were 3-0 up in the game. After this point we underestimated the opponent and did not play our best football and conceded 2 silly goals and again at the dying last minute conceded one more goal. The final score was 3-3. This was a disappointing result for us as we were 3-0 up and drew the game at the end but there were a lot of positives to take away from this game. This was a good lesson learnt for us to not take it easy and to concentrate even if we are leading by a big margin. But saying that we did not lose but drew the game which is a not a bad result against a good opponent. We have managed to grab 7 points in 3 games which is a great achievement placing us at 2nd position in the league and only 2 points behind the number 1 team. Future match will be report after the following match detail.
